Once approved by Panel, Supplementary Regulations will be returned to the relevant Club with "Approved by NSW Off Road Panel" marked on them, and these are the Supplementary Regulations to be forwarded to CAMS Event Permit for authorisation. When the Supplementary Regulations are returned by CAMS with the Permit Number, they are to be sent to the Webmaster of NSW ORP with the entry form to go on the Website before release to any other website. The panel would like each club to consider using the CAMS On Line Entry System.
