if you can assist

We are just over one month away from the annual Scotts Hydraulic Services Wittittrin 200 so club members are being kept busy getting everything in place ready for another successful race.

It goes without saying that there is a lot of 'behind the scenes' (and often 'thankless!') work involved in the organisation of major events like the Wittittrin 200, and also considerable work afterwards. We are always in need of 'helpers' (remember that old saying 'many hands make light work!') so if you can assist in a working bee, or an official duty, please come forward and put your hand up (contact Maurie Fuller on 6562 1366).

Once again we are indebted to the Kemp family (Dallas, Peggie, Mick, Brigitte etc) for basically 'throwing open the front gates' of their property so that us 'petrol heads' can enjoy our annual 'fix'. The grounds were in a pretty sad state after last years rain affected race so we really appreciate the commitment of the Kemp family in supporting our endeavours once again.

We are hoping for a good size field to contest the sixth annual Wittittrin 200. Last year saw 44 cars in the pits, and it would be fantastic to see that number again this year. If you are thinking about competing at Wittittrin be sure to get your entry in early. Supplementary Regulations, and the Official Entry Form, can be downloaded from the KMORC website at www.kempseyoffroadracing.net . The website will also be updated on the Saturday and Sunday of the event with news, results, photos etc.

Scotts Hydraulic Services are once again sponsoring the Wittittrin 200, which is Round 3 of the NSW Off Road Championship, and Round 1 of the Premier Long Course Series. Its great to have Scotts Hydraulic Services on board again in 2010.

Round 1 of the 2010 NSW Off Road Championship was held at Dondingalong on March 20/21 and although the car numbers were down a little on last year it was still a highly successful event from the promotional and organisational side of things. Of the 20 entries received, 13 did not compete at Dondingalong in 2009, meaning just 7 (of the 26 starters in 2009) returned for another go this year. Whether the low car count was attributable to tardy preparation on the part of competitors, or perhaps a reflection of a tougher economic climate (or some other factor), is unclear at this stage. Although KMORC members raced hard the majority of classes were won by members of the Hunter Valley Off Road Racing Association (HVORRA). Class winners were :

Pro Buggy (+ 1st Outright) : # 13 Justin Guy / Danny Richardson (HVORRA)

Prolite Buggy : # 137 Brian Duck (HVORRA)

Super 1650 Buggy : # 211 Chris Levi / Len Levi (KMORC)

Sportsman Buggy : # 366 Billy Standing / Traci Standing (HVORRA)

KMORC is also pleased to have two new Silver grade Event Directors in Andrew Giddy and Barry Clenton. Tom McKiernan should also be congratulated on becoming a Silver grade Scrutineer.

Don't forget to support our sponsors (listed on the reverse of this newsletter) whenever you can. The next newsletter will be released shortly after the Scotts Hydraulic Services Wittittrin 200 and will feature full coverage of the event. See you at Wittittrin May 29 and May 30...
