## Newsletter 2 : 2011

# KMORC

## Annual General Meeting

Monday : 12th September 2011  
Kempsey Hotel (Belgrave Street)  
Anzac Room : 7.30pm : all welcome.

Its been a long time between Newsletters, so time to catch up a bit...

Our two race meetings for the year have come and gone, with both being extremely successful in their own right.

The heavily revamped Wittitrin 300 (supported by long time major sponsor **SCOTTS HYDRAULIC SERVICES**) proved popular with competitors and spectators alike. Adding distance to the race, and breaking it into two parts, certainly brought a new dimension to the event, and threw up some surprising results. Once again congratulations to the winners Gary & Joshua Hyde (Sportsman Buggy), and a big thank you to the Kemp family (Dallas, Peggy, Mick, Brigitte etc) for again making their property available to hold the race. The addition of 'Dallas's Dash For Cash' after the main race added even more interest to the weekend. For one of the few occasions in recent times the Wittitrin race was blessed with terrific weather (just, it bucketed down the Monday after the race!).

Moving the Dondingalong race back in the year was rewarded with strong entry numbers and a high quality field. This years major sponsor of the Dondingalong Round of the state series was **PERFORMANCE METALS AUSTRALIA**, who won the naming rights via a random draw conducted from amongst the Gold Sponsors for our two events. The record books will show that Justin Guy / Danny Richardson (Pro Buggy) won the event for the second year straight but it was no easy victory, with KMORC members Michael Spokes / Alan Hetherington (Prolite Buggy) leading most of the way only to come to grief (roll) in the final race. Like Wittitrin, everyone who attended this race only had good things to say, and once again the weather was fantastic. Thanks again to Maurie & Robyn Fuller for providing such a great facility!

Of course neither of these events just 'happen'. A small army of volunteers and club members is pressed into action to ensure everything runs as smoothly as possible on race weekend, while countless hours of work is required before and after each race. There are a lot of 'thankless' jobs, and not enough time to 'thank' everyone. To all individuals involved in our events (before, during, and after), please be assured that your assistance is appreciated by our Club and its members.

Special thanks to the competitors who travelled vast distances to attend our races (from Queensland to southern NSW and all points in between) and to each of our Race Sponsors (listed on the reverse of this newsletter). We simply could not hold successful races without your support.

Well, that about brings us up to where we are now.

### The following information is very important so please read on.....

The KMORC Annual General Meeting will be held at the Kempsey Hotel Anzac Room (Belgrave St) Monday September 12 commencing 7.30pm. All positions will be declared vacant, and we need people to fill them. This is a great opportunity to show your support for your club and the sport by putting your hand up for a key position on the Committee.

Following the Annual General Meeting a Committee Meeting will be held (once again, all welcome to attend). This is one of the most important Committee Meetings in the history of the club. The serving KMORC Committee has instigated a plan to ensure the success of our two races in 2012, but we need a commitment from individuals to fill certain positions to ensure this plan succeeds, and can be implemented in a sufficient time frame.

### As you can see, this will be a big night, and I would urge you to attend.

Hopefully I will be able to pump out several more newsletters before the end of the year, to keep all members abreast of developments leading into 2012. Don't forget to check our website, [www.kempseyoffroadracing.net](http://www.kempseyoffroadracing.net), where you will find plenty of information in regard to Off Road Racing right across the state.

Hope to see you on September 12.

Rod Thurgood  
Publicity Officer / Media Representative
