Issue 2
1st June 2009

NEXT CLUB MEETING
Monday 8th June 2009 : 7.30pm
Kempsey-Macleay RSL Club
(Function Room 1) . All welcome.

We have a lot of ground to cover in this newsletter so let's plant our foot hard on the throttle!

The annual Wittittrin 200 is only a few weeks away (June 20/21) and promises to be another tremendous event. KMORC is pleased to welcome back **Scott's Hydraulic Services** as the major sponsor of the Wittittrin 200 once again. We are expecting a good field to nominate although with the tougher economic climate we are now operating in we may not see a record entry like last year. We have heard via the grapevine though, that there are several new cars being prepared, and that there are a few competitors planning to run that have not competed at Wittittrin before.

Rain (lets not mention the word!) in the months leading up to Wittittrin has made preparation for the event difficult, however a testing track will again be on offer. Special thanks to Dallas and Peggie Kemp for once again making their property available. Don't forget to spread the word about the event as it all helps! Colour and black / white posters can be downloaded from the club website.

Apart from **Scott's Hydraulic Services** we have a long list of sponsors who are supporting the Wittittrin 200. These include : **M & K Plant Hire, Albins Race Trans, Leading Edge Telecoms, Kempsey Retravisoin, 4 Shores Holiday Parks, Whitbread Automotive, Mavin & McNamara, Macleay Valley Transport, Tumblegum Bakery, Kempsey Heights Bowling Club, Patterson Glass Works, South Street Mufflers, Xtract Performance Exhaust Systems, Clarke's Bedding & Furniture, Eagle Boys Pizza, Tru Pest Management and Macquarie Business Accountants.** We would ask you to support our sponsors whenever possible as without them we would be unable to stage this event.

Supplementary Regulations and Entry Forms for the Wittittrin 200 (Round 1 of the Premier Long Course Series : Round 3 of the NSW Off Road Championship) can be downloaded from the KMORC website www.kempseyoffroadracing.net The website will be updated in the weeks leading up to, and following the event, so be sure to check in there regularly. You can also subscribe (Free) to our website and receive an email when the site is updated.

On March 21/22 Round 1 of the NSW Off Road Championship was held at Dondingalong and it proved to be

We also welcomed new club member Matthew Morgan who debuted in the ex Ted Potter Sportsman Buggy.

A major part of the Dondingalong weekend revolved around a Breast Cancer Fundraiser and to that end \$2440.30 was raised for this very worthwhile cause. A further \$1700 was raised at a private function the week prior. A very big thank you goes out to everyone involved in supporting the Breast Cancer Fundraiser.

The KMORC also has a new Logo (that's it at the top of this newsletter!). Club Members felt that an update of the original Logo was long overdue, so hopefully the new Logo will serve us for many years to come.

There will be Working Bees at Wittittrin every Saturday and Sunday leading up to the event so if you can assist please contact Andrew Giddy on 6562 7596 or Maurie Fuller on 6562 1366. Your help is appreciated.

Don't forget, the next Club Meeting will be Monday 8th June (7.30pm) in Function Room 1 at the Kempsey-Macleay RSL Club.

OK, that's got us up to speed. The next newsletter will be issued only a few weeks after Wittittrin so keep an eye out for it.

Hope to see you at the track June 20/21.
