NEXT CLUB MEETING
Monday 11th January 2010 : 7.30pm
Kempsey Hotel. All welcome.

Time once again to bring you up to speed with what's been happening in your club, and the world of Off Road Racing in general, over the past few months.

Following the muddy Wittittrin 200 your Club invested in an ex Cavanaghs Bus that will serve as Race Control at future events (replacing our worn out Caravan). In other Wittittrin news next years race is set to be held on May 29/30. The Wittittrin date change has come about because of a new event at Griffith (July 24/25) that will be a part of the 2010 Australian Off Road Championship. This is the first National Round to be held in NSW in many years and as such it is thought that a lot of NSW racers will compete. Hopefully moving Wittittrin forward will also see improved weather conditions (well...we can but hope..). While still on Wittittrin a big 'thank you' goes out to those individuals that were instrumental in the staging of the 2009 event, and worked tirelessly to repair all the damage done to the property. Your efforts are appreciated. Special thanks also to the Kemp family for continuing to allow the club to conduct the Wittittrin 200 on their property.

With the Wittittrin 200 only 6 months away your Club is once again looking for sponsors to assist with the considerable operating costs involved in staging the event. Enclosed with this Newsletter is a copy of the 2010 Sponsorship Packages. If you know of anyone who can assist with sponsorship please pass this information on to them. Sponsorship Packages can also be downloaded off our website at www.kempseyoffroadracing.net

Also enclosed with this Newsletter is a Membership Renewal Form. It would be appreciated if you could complete this form and return it to the Club Secretary with your payment as soon as possible. Don't forget to include your email address as it makes distributing information faster and simpler, and saves the club postage etc.

The KMORC Annual Presentation Dinner will once again be held at the Kempsey Heights Bowling Club on Saturday 16th January 2010. Cost is \$30 per head and tickets must be purchased from the Bridgestone Tyre Centre (Tel : 6562 8080) prior to 5pm Wednesday 13th January 2010. No late bookings will be accepted (ie: tickets must be paid for by January 13), so please do the right thing.

We have also ordered a supply of Club Caps that are for

sale to club members for \$10 each and everyone else \$15 each. These have the Club Logo on the front, and our website address on the back. They come in one colour only, black! Keep an eye on our website for when they will be available.

Our first event for 2010 is at Dondingalong on March 20/21. This race is Round 1 of the NSW Off Road Championship and a strong field is expected given the popularity of the Dondingalong Circuit. There will be a number of working bees in the lead up to the race so any help is always appreciated. Our club is also indebted to Maurie & Robyn Fuller for their continued support, and the use of the Dondingalong property.

Don't forget, your club is always looking for new members, and members that can assist on the organisational side of things. Remember..its YOUR club..and it can't function without YOU. Club Meetings are held on the 2nd Monday of each month (7.30pm) at the Kempsey Hotel so don't be a stranger! You can also keep up to date with all the Off Road news by visiting our website (which has a free subscribe feature that allows you to receive email notices of club news etc).

Well, that's it for this year (where did 2009 go??). Hope to see you at one of our race meetings in 2010, or the Annual Presentation Dinner in January.
