

# **SCOTTS** *Hydraulic Services* **KEMPSEY**

**Scotts Hydraulic Services Kempsey, are round sponsors of the 2009 Wittitrin 200.**

Scotts Hydraulics is the largest stockist of Hydraulic & Pneumatic components on the Mid North Coast. Their stock comprises of pumps, valves, cylinders, seals, o'rings, hydraulic hosing and fittings, brass fittings, braided hoses and brake lines.

Scotts Hydraulics is the major distributor for **Southcott – Gates Hoses & Fittings / Hallite Seals / IFS – Brass fittings / EATON / SMC – pneumatics, FUCHS Lubricants, and Donaldson Filtration** (*a must for all off roader air intake systems*).

Scotts Hydraulics also custom design hydraulic systems, carry out diagnostic reports, and repair all facets of hydraulic components. All work is carried out by their qualified technicians.

So when it comes to Hydraulics, whether you're in the transport, manufacturing, earthmoving, or agriculture industries, give Scotts Hydraulics a call.

Scott's Hydraulics are located at **2 Woolford Crescent, Kempsey** and are opening soon at 4 Uralla Road, Port Macquarie.

**Give Gordon or Ben a call on 65625666 or visit [www.scottshydraulics.com.au](http://www.scottshydraulics.com.au)**
